CHAPTER REPORT

Letter from the Undergraduate President

A Very Good Year All Around

By David Gibbs

The 2013-2014 school year was a good one for Gamma. We signed an awesome 37-man pledge class and have added many solid men to Gamma. During the well-rounded pledgship, new members learned about KA, their brothers, and most importantly themselves, and after a six week period we initiated them in October.

Over the fall, with the help of the pledges we were able to raise \$23,080 for the Muscular Dystrophy Association. This is a very impressive number, and ranked near the top of all KA chapters in the nation!

Gamma also excelled academically over the past fall, and although we have not received the spring grades, I am sure that they are excellent as well. Over the fall Gamma had a GPA of 3.29, which landed us in 6th place among 26

fraternities here at UGA. With 75% of our members above a 3.0 it is safe to say that here at Gamma we are taking our academics very seriously.

Not only are we making good grades, but we are also having a good time while we do it. To open up the New Year we had one of our best parties in awhile at the house our first weekend back. We also brought Cowboy Ball back to the house, which was a huge hit. We had plenty of rushees up for Cowboy Ball and we made sure to show them what KA is all about. Rush gets underway on May 31, where we will host our annual summer rafting trip. We are looking to have a great summer of rush and get the 2014-2015 school year started right.

ANNUAL FUND

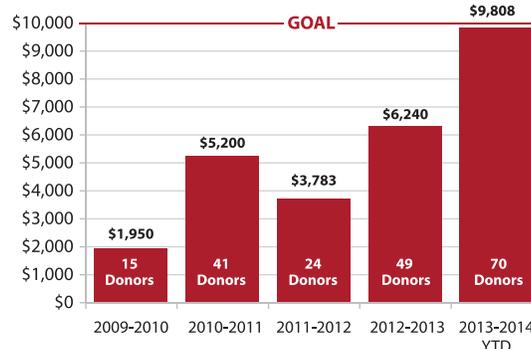

2014 Annual Fund Goal Set at \$10,000

Thank you to all the brothers who donate each year!

When we made the decision to join a fraternity, it was a lifetime commitment to enter into a very special brotherhood. The experiences we had during our time at University of Georgia were often shaped by the relationships we formed as members of a remarkable organization: the Gamma Chapter of Kappa Alpha Order!

Annual fund donations – no matter the amount – allow us to continue to strengthen the relationships we have built as brothers and to foster new ones.

We are asking for your renewed support this year to raise \$10,000.

As you can see, congratulations are in order. KAs have stepped up to the plate and our Annual Fund is growing by leaps and bounds. Thank you!

However, only about 70 of our 1,845 active alumni

contribute to the annual fund (about 3% of our brotherhood). Just imagine what we could do if we raised that to 10%...or 25%...or 100%.

Please help us meet our goal in 2014 and make your donation to the annual fund.

CHAPTER ETERNAL

Remembering Larry Foote

by Kirby Yawn '97

In the early 1980's, Gamma Chapter of Kappa Alpha Order welcomed a new initiate through the hallowed halls of 294 South Lumpkin. He came with no letters of recommendation. He came with no legacy background. He hadn't been through formal Rush, and he certainly wasn't a blue chipper found spontaneously prior to Fall Quarter while indulging in Athens' finest downtown watering holes. He simply applied for a new job, learning of it's opening through a longtime employee of Gamma, Riley "Coot" Maddox.

Larry Darnell Foote, known throughout most of his adult life as only "Foote", was employed by the University in its Facilities Maintenance Division. Working just across Lumpkin from the Mansion, he was in search of something different. Unbeknownst to Gamma at the time, we were in search of something different too, a relationship that would span the course of 30 years, and will never be replicated.

Being from Macon, I knew of Foote before I was out of high school. I'm not sure why, but it seems as though brothers before me and after me from Bibb County were somehow drawn to the man. That's not to say everyone who came across him wasn't, but it felt like the first time I met Larry face to face, I'd known him for a longer time than normal. Stories of a man seen every day, Monday through Friday (although mostly partial days on Friday) at 294 were legendary, both famous and infamous. He was a fixture, someone who was not just at the Mansion, he seemed like he was really a part of the Mansion.

Larry Darnell Foote, born December 9, 1952, died June 18, 2013, remembered forever.

There will never be a shortage of stories regarding Foote. Did he go with you to a football game one of those times where you just didn't want a date? Did he give you a ride to class? Did you find yourself walking through North Campus, hear a horn blast, and look over to see Foote driving YOUR car through the middle of campus? Was he the person you talked to in the Dining Room between classes when no one else was stirring around? Did you lend him twenty dollars? At the end of the day, when it's all said and done, did you by chance learn a portion of what you learned in college,

just by interacting with Foote?

This past summer, thirty or so of us travelled to Athens to pay our last respects. We convened at Jackson McWhorter Funeral Home on Broad Street, and together with Foote's friends and family, we offered our final respect. With half the attendees comprised of Gamma Brothers, you realized just how much Foote meant to Gamma, and possibly more importantly, what Gamma meant to Foote. We were indeed his true friends and family.

If you were to look up the term "generation" in Webster's Dictionary, it would define the term in length of time as "30 years." Foote was a generational employee, having an impact on young men, and their sons across a span of time of employment most in our lifetime will never see. Recent statistics say members of today's "generation" will likely remain in their role of employment for 5 years before changing jobs; Foote beat those marks by an unlikely multiplier of 6.

CAPITAL CAMPAIGN HONOR ROLL

Though we have not said much about the Capital Campaign for a number of years and the house has been completed, we want you to know that a small group of Gamma alumni still continues to work on the campaign regularly. It is the goal of this group of alumni to complete the effort this fall by raising an additional \$500,000 to protect the original investment and leave the current actives with a manageable amount of debt. A celebration is being planned to recognize and celebrate the successes and contributors to Gamma's seven-plus year fundraising effort.

While we were very successful in the original effort - over 538 have given \$3,634,516 to date, we still have work to do to bring the debt to a

level that all trustees feel comfortable with.

The \$500,000 we are now seeking include the final fulfillment of current gifts, as well as new commitments. New gifts can be paid over 3 year pledge period, and now, new 3-year pledges of \$5,000.00 or above can be tax deductible (as are one-time gifts greater than \$2,500).

We are grateful to all those who have contributed to date, and respectfully ask that they consider making an additional pledge, or increasing their current pledge to help us close this effort. We are also asking that those who have not yet contributed take this opportunity to do so, and be included in the Honor Roll of donors. Pledge forms are available on our website at <https://kauga.com>.

Email Crisis! We're Missing Email Addresses for More than 1/2 of Our Brothers!

You may be missing out on important KA communications! The Gamma Chapter Alumni Association Board sends monthly eNewsletters to all alumni as part of our revitalized communications program. Ensure you're receiving your copy of these eNewsletters by verifying your email address today!

We currently have active email addresses for just 44% of our living alumni. If your email address is one of the 56% we're missing, please

update it by emailing our alumni relations office with your full name, grad year, and "KA Georgia" to feedback@affinityconnection.com.

The more email addresses we have, the more we can keep you in the loop throughout the year. Thanks for helping us to stay connected with you more frequently!

SNAIL MAIL: We're Searching for 200+ Alumni Help Us to Bring these Brothers Back in the Loop

There are 217 alumni in our database who do not have active mailing addresses on file. This means that they are not receiving *Between the Columns* and other print publications. If you recognize any of the names on this partial list, please send their updated contact information to our alumni relations office at feedback@affinityconnection.com (mention KA Georgia in the subject line). Our chapter database is used solely for KA communications and will never be traded or sold.
